#### DIRECTORS' REPORT for the period ended 31st March 2005

Directors:	J S McElarney (Chairman)	S S Desai
	E K Griffith (Secretary)	G L Kerridge
	R J Haswell (Treasurer)	Ms P A Thurman

The directors submit their report together with the financial statements for the period ended 31st March 2005.

#### **REVIEW OF THE BUSINESS**

The company was incorporated on 29th June 2002, its principal object being to acquire and hold the freehold of Queenswood Gardens, Wanstead, London E11 on behalf of the lessees.

The freehold was acquired on 29 March 2004 and the Founder Members were each granted 999 year leases.

During the year under review one further extension was granted to a non Founder member.

The Board is conscious of its duty to ensure that the company has sufficient funds to meet its running costs. The only regular source of income is that from ground rents on the unextended leases which are, in themselves, not enough to cover annual costs. As a result, the company is reliant upon the proceeds of future lease extensions to cover future costs.

Any funds from this source that the Board considers to be in excess of the company's foreseeable needs will be returned to members, initially by way of repayment of loans.

## **DIRECTORS' RESPONSIBILITIES**

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to :

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# NOTES TO THE FINANCIAL STATEMENTS for the year ended 31st March 2005

#### 1. ACCOUNTING POLICIES

The following are the more important accounting policies adopted by the company:

#### (a) Basis of Accounting

The financial statements are prepared under the historical cost convention and in accordance with Accounting Standards

#### (b) Fixed assets

In accordance with those standards, the freehold of the estate is shown at original cost to the company, less that part of the cost attributable to leases which have been extended.

As and when lease extensions are granted, the equivalent proportion of the cost is deducted and is shown as a disposal.

Given that the residual value to the Company of an extended lease is nominal, once all of the leases have been extended, the cost in the Balance Sheet will be reduced to £1.

#### (c) Depreciation

No depreciation is provided on the company's freehold property as it is not considered to be a wasting asset

#### (d) Deferred taxation

Deferred taxation is provided in the financial statements on timing differences where a liability for such taxation is expected to arise in the foreseeable future.

#### 2. INCOME

The company's normal source of income is from ground rents on leasehold properties.

It also has potential income from the sale of extended leases.

During the year, the company granted extended leases to Founder members at cost and granted one extended lease to a nonmember.
